

Wildlife and Countryside Act 1981

Definitive Map and Statement of Public Rights of Way for Oxfordshire

**The Oxfordshire County Council  
Enstone Byways Open to All Traffic Nos. 65 and 66  
Modification Order 2023**

This Order is made by the Oxfordshire County Council under section 53(2)(b) of the Wildlife and Countryside Act 1981 ('the Act') because it appears to that authority that the Definitive Map and Statement of Public Rights of Way for Oxfordshire require modification in consequence of the occurrence of an event(s) specified in sections 53(3)(c)(i) of the Act, namely, the discovery by the authority of evidence which (when considered with all other relevant evidence available to them) shows:

that a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way such that the land over which the right subsists is a public path, a restricted byway or, subject to section 54A, a byway open to all traffic.

The authority has consulted with every local authority whose area includes the land to which the order relates. The Oxfordshire County Council hereby orders that: -

1. For the purposes of this order the relevant date is 12 May 2023.
2. The Definitive Map and Statement of Public Rights of Way for Oxfordshire shall be modified as described in Part I and Part II of the Schedule and shown on the map attached to the Order.
3. This order shall take effect on the date it is confirmed and may be cited as the Oxfordshire County Council Enstone Byways Open to All Traffic Nos. 65 and 66 Modification Order 2023.
